

CONNECTED CARE is a patient-centered health plan for Intel's Arizona employees and families. Together with Intel, Arizona Care Network is creating A Better State of Care.

Why Connected Care?

Great Value

- Lower deductibles, co-insurance, and out-of-pocket maximums compared to other HDHP options.
- Connected Care is the **only** plan option where many preventive medications are covered at 100%. See a list of covered preventive medications [here](#).
- No prior authorization needed for services from in-network providers.

Local Expertise You Can Trust

- Local knowledge and relationships national plans can't provide.
- Extensive network of doctors, clinics, and hospitals dedicated to specific standards of quality care for your diverse needs. Use our [provider search tool](#) to find the right care near you.
- Local nurse case managers assist with navigating complex or chronic conditions, and collaborate directly with your care team.

National Coverage for Peace of Mind

- Extensive in-network coverage with care available across the country for employees who travel frequently or have dependents living elsewhere.
- Access to network discounts locally and nationally.
- Concierge Services available to help you find an in-network provider outside the Valley.

Concierge, at Your Service

- A one-stop resource to help you find the right doctor, answer questions about benefits and claims, verify eligibility, ID card requests, and more.
- Dedicated to service excellence, helping maximize your benefits, and connect you with covered programs and support.
- Call the Concierge Team at **800.974.4517** anytime Monday through Friday, 8 a.m. to 6 p.m.

This Annual Enrollment, choose the **Intel Connected Care Arizona HDHP or PCP** for your family's health care needs. Find additional resources and learn more by scanning this QR code or visit azcarenetwork.org/connected-care-az.

Robust Network of Providers and Facilities

Arizona Care Network partners with high quality, cost effective, compassionate health care providers. This is the very core of how we're making Arizona, A Better State of Care.

When you select the **Intel Connected Care Arizona HDHP** or **PCP**, enjoy access to more than 5,000 primary care and specialist providers across more than 1,500 locations throughout the Valley. You'll also have in-network access to Abrazo Health, Dignity Health, Phoenix Children's, and Valleywise Health.

Leaders in Comprehensive Care

Cancer

Recognized nationally as a Center for Excellence, the Dignity Health Cancer Institute in Phoenix offers comprehensive care of mind, body, and soul for patients and families. Additional in-network centers of excellence include Barrow Neurological Institute in Phoenix (named a "Top Hospital" by U.S. News & World Report), and Ironwood Cancer & Research Centers in the East Valley.

Cardiovascular

Known for premier cardiovascular care in the Southwest, Abrazo facilities are certified Gold Plus and Silver Plus for both stroke and diabetes care. Additionally, Dignity Health earned Centers of Excellence awards for St. Joseph Hospital Heart and Vascular Institute, its Cancer Institute, and Norton Thoracic Institute.

Emergency

When you need us most, we're here for you. With more than 100 combined Emergency Room and Urgent Care centers in the Valley, your injury or illness can be treated thoroughly, promptly, and compassionately.

Know Where to Go

[Click here](#) to learn when you should visit an ER, Urgent Care, or your PCP.

Maternal and Newborn

Led by Phoenix Children's and Dignity Health, a first of its kind is coming to Arizona in 2025: A new Women's and Children's Pavilion on the Dignity Health Mercy Gilbert Medical Center campus will feature maternity and pediatric specialty care. Additional medical offices are within walking distance on the same campus.

Mental Health

Whether supporting you to find a provider, or resources such as Intel's Employee Assist Program (EAP), Modern Health, or Headspace, Connected Care is ready to help. Nearly 100 mental and behavioral practices are available across the Valley to help you become your best self, with many offering Telehealth services.

Women's Health

We are committed to comprehensive care for women at all stages of life—not just gynecology and maternity care. Other aspects of cardiology, mental/behavioral health, neurology, and oncology are unique to women.

Care Coordination

If you or a dependant is managing a chronic or complex condition, ACN is here to help. ACN's Care Coordination team is a group of dedicated healthcare professionals who assist you and your care team with a full range of services, including:

- Complex care management
- Transitions of care
- Health coaching
- Social determinants of health (SDOH)
- Concierge services

Inclusive Care

ACN's network of providers offers respectful and sensitive care to all patients. ACN's Care Coordination team collaborates with Included Health to build a robust resource directory for LGBTQ+ healthcare needs, and help you find personalized resources and support you need. Additionally, Dignity Health was named LGBTQ+ Healthcare Equality Leaders and High Performers by the Healthcare Equality Index (HEI).
