

## Deadline Approaching: InNote Engagement Requirement for Q1

Dear Arizona Care Network Providers,

This is a reminder about the **InNote requirement for the 2026 Provider Rewards Program (PRP)**.

**To remain eligible for the 2026 PRP, your TIN must meet two quarterly requirements:**

- Maintain at least one active InNote user
- Complete 20 InNote utilization activities

For Q1, these requirements must be met **by March 31, 2026**

InNote utilization activities include:

- Quality gap closure
- Member lookup
- HCC coding confirmation

### Why It Matters

ACN practices using InNote saw measurable improvements in 2025:

#### ACN providers who used InNote in 2025 saw:

+9.2% (Medicare) and +4.6% (Commercial)  
HCC codes captured

+8.9% (Medicare) and +8.6% (Commercial)  
care gaps closed

Improved quality performance helps create shared savings opportunities for everyone.

### What to Do Now

1. Confirm your practice has an active InNote user
2. Complete 20 activities before March 31, 2026

If you need access or help getting started, contact your Clinical Performance Consultant, email us at [practicetransformation@azcarenetwork.org](mailto:practicetransformation@azcarenetwork.org), or request access to InNote at the link below.
