

# You're Invited to a Robotic Showcase

## Mercy Gilbert Medical Center

3555 S. Val Vista Drive, Gilbert, AZ 85297

(Outside lot near the corner of Val Vista and Mercy Rd - look for the semi-truck)

**April 20, 2026**

**Stop by anytime between 9 am - 6 pm!**

Learn how our program supports timely diagnosis and coordinated care for patients with lung nodules.

### Robotic Showcase Agenda:

9 am - 12 pm	Nursing/staff Open House
12 pm - 1 pm	Physician Lecture(s) - Drs. Khokar, Tedesco and Counts
1 pm - 4 pm	Executive Test Drives - Drs. Khokar, Tedesco and Counts
4 pm - 6 pm	Physician Education and Donor Education - All

### Topics we'll cover:

- The importance of timely, accurate diagnosis for patients with lung nodules
- How our team approaches evaluation and biopsy to provide clear answers and next steps for patients
- Collaboration opportunities between our program and local referring providers to streamline patient care
- Resources available to support your patients and practice

*Light refreshments will be served.*
