

LIVING WILL (End of Life Care) Instructions

GENERAL INSTRUCTIONS: Use this form to make decisions now about your medical care if you are ever in a terminal condition, a persistent vegetative state or an irreversible coma. You should talk to your doctor about what these terms mean.

The Living Will is your written directions to your health care power of attorney, also referred to as your "agent", your family, your physician, and any other person who might make medical care decisions for you if you are unable to communicate yourself.

It is a good idea to talk to your doctor and loved ones if you have questions about the type of care you do or do not want.

IMPORTANT: If you have a Living Will and a Health Care Power of Attorney, you must attach the Living Will to the Health Care Power of Attorney.

If you fill out this form, make sure you **DO NOT SIGN UNTIL** your witness or a notary public is present to watch you sign it.

PLEASE NOTE: At least one adult witness, not to include the proxy if there is one, OR a notary public must witness you signing this document.

DO NOT have the documents signed by both a witness and a notary, just pick one. If you do not know a notary or cannot pay for one a witness is legally accepted.

Witnesses or notary public CANNOT be anyone who is:

- (a) under the age of 18
- (b) related to you by blood, adoption, or marriage
- (c) entitled to any part of your estate
- (d) appointed as your agent
- (e) involved in providing your health care at the time this form is signed
