## Primary Care \$

Your Primary Care Provider (PCP) helps manage your preventive and general care. They also coordinate other care you may need.

- » Appointment usually required (same-day typically available)
- » Provider knows your health history and goals
- » Hours vary by practice
- » Some PCPs offer telemedicine by appointment only

## Telemedicine \$

Virtual visit for treatment of common conditions such as an ear infection or pink eye. Most health plans have a virtual care option.

- » No appointment needed
- » Licensed providers by phone, web, or mobile app for non-emergency care
- » Recommend follow-up with your PCP

## Urgent Care \$\$\$

For injuries/illnesses that need same-day care but don't require hospitalization. Examples include broken bones, the flu, rashes, fevers, colds, and more!

- » No appointment needed
- » Hours vary by location; often open evenings/weekends/holidays
- » Need lab or imaging services? Ask if they have them on-site
- » Recommend follow-up with your PCP
- » Some ACN providers offer in-home urgent care visits

## Emergency \$\$\$\$

Call 911 or go to the nearest facility for life-threatening conditions such as shortness of breath, chest pain, head or spine injuries, and more.

- » No appointment needed
- » Always open
- » Recommend follow-up with your PCP
- » ACN patients have access to emergency departments at Dignity Health, Abrazo Health, and Phoenix Children's

## Urgent Care

Urgent Care can offer a less expensive option when you or your family members become sick or injured and are unable to see your primary care provider, but the situation is not serious enough for the emergency room. Consider an in-network urgent care for:

- Sprains
- Strains
- Fevers
- Colds
- Flu
- Rash or skin irritations
- Mild asthma
- Broken bones
- Outpatient x-ray and lab services
- Non-facial lacerations
- General non-life threatening conditions for both children and adults

Arizona Care Network (ACN) is your high-performing network – 6,000+ clinicians in more than 2,000 locations valley-wide. And because high quality care is cost efficient care, everyone wins.
